I am not in support of this act and do not understand where the monies will be coming  
from for this. I feel that should be the first most important thing, to figure out. Who will  
be paying for that, oh yeah, us!!!! That is wrong, never mind, what will are students be  
getting out of this? Will this be enough for them to get into college? I am very confused  
with your ways of thinking .Well, as you know, I am not in support of this and being a  
Licensed Daycare Provider,am being forced by Executive Order No. 9 to join a union  
against my will, how fair is that?I Do Not support this bill!!!

Thank you Jan Simmons
